# Description of a story/ idea

## The idea:

The main character is a very positive minded, innocent avocado. This is her very first time to wear her pink swimsuit and visit the Hummus pool.

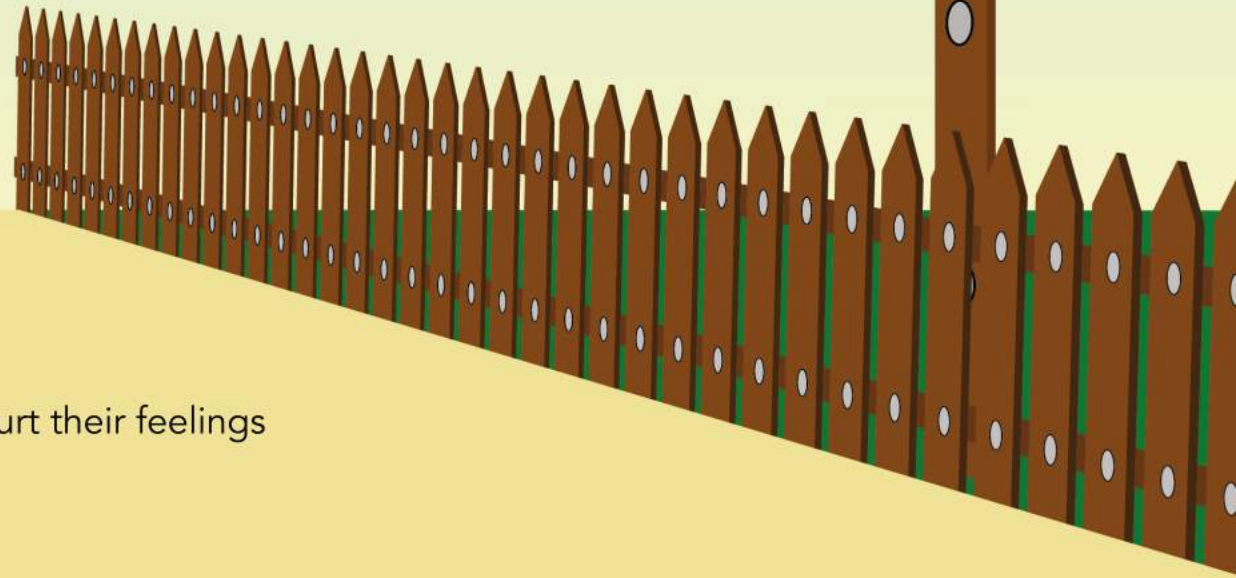

Once she gets to the place she realised she doesn't fit into the environment. She's really surprised, scared and embarrassed. Around the place are only carrots looking slim and fancy.

She bursts into tears when she hears the carrots calling her fat.

## Message:

Don't make fun of anyone, because you might hurt their feelings
